## ROSÉ 2020

### WINE OF ORIGIN

Western Cape

### VINTAGE CONDITIONS

The 2020 vintage was characterized by generally favourable conditions, improved winter rainfall preceding the growing season and generally mild conditions. This resulted in improved crops in particular in the coastal areas or Swartland, Wellington, Paarl and Stellenbosch. The vintage period was lower in disease pressure than the 2019 vintage but some rainfall during vintage did require careful management. The spring period was unusually warm prompting early bud break and accelerated early growth while, the summer through vintage was mild in terms of temperature with fewer peaks or periods of high temperature. This resulted in an early vintage start and a compressed February finishing earlier than in recent years. Wines show great retention of freshness and flavour with good tannin development and aging potential. We are hugely excited about the quality of the 2020 Vintage.

### COMPONENTS

41.1% Cabernet Sauvignon, 28.3% Mourvedre, 13.6% Shiraz, 11.6% Grenache Red, 5.4% Cinsaut

### WINE DESCRIPTION

This attractive, deep salmon-pink rosé delights with subtle aromas of strawberry, candy floss and raspberry, as well as hints of rose petals and Turkish delight. The palate is fresh and bright, with a good acidity and fruity, long finish.

### SERVING SUGGESTION

This wine can be enjoyed at any occasion, on its own or with a variety of tapas, pan seared salmon, Mediterranean grilled vegetables or platters and sweet pastries.

### CELLARING POTENTIAL

Enjoy this wine while it is young. It can however, be cellared for up to 18 months from vintage.

### WINE ANALYSIS

Alcohol: 13.20 % v/v  
pH: 3.27  
Total acidity: 5.73 g/l  
Residual sugar: 2.98 g/l
